Dear 100RC Platform Partners,

On behalf of the Solutions Development and Innovation team, you are invited to join us for our next Quarterly Partner Webinar: North American Region Deep Dive. The webinar will be co-delivered by our Vice President of Solutions Development and Innovation, Jeb Brugmann, and our Managing Director of the North America Region, Otis Rolley. They will take the opportunity to give the partner community an overview of trends in the region and to update you on recent and upcoming work and opportunities.

Apologies to our Partners in the Asia-Pacific Region for the timing of the webinar – as always we will record the webinar and distribute it to this group along with the slide deck. Please rest assured that our next quarterly webinar will be a deep dive into the APAC region and will be held during APAC business hours.

Please register for the webinar in advance using the link below:

After registering, you will receive a confirmation email containing information about joining the webinar.

Best regards,  
Hannah Glosser
